## **Launch of PPAC mobile App (PPACE)**

PPAC is pleased to inform that as a part of “Digital India” initiative, Petroleum Planning & Analysis Cell has developed its mobile app “PPACE (PPAC-Easy)” for the popular iOS and Android platforms. The mobile app was launched by Shri K.D. Tripathi, Secretary MoP&G and Chairman of the Governing Body of PPAC, during its 19th meeting held on 23rd October 2017.

The mobile app draws on the full range of information available on PPAC website, <http://ppac.gov.in>, which displays up-to-date data of country’s Oil & Gas sector in downstream and mid-stream verticals.

It is available on the respective play-stores of Android and Apple iOS
